

## References

1. Created protected queues based on the code provided for lab1.

Link:

[https://gitlab.cecs.anu.edu.au/comp2310/comp2310-lab-01/-/tree/main/03-Queue\\_Concurrent](https://gitlab.cecs.anu.edu.au/comp2310/comp2310-lab-01/-/tree/main/03-Queue_Concurrent)

2. Created the message type and the way to initialize find\_route message based on Jason's idea.
